

Securityhunter, Inc. Celebrates Casino Royale Style

Baltimore, MD January 26, 2019

Securityhunter, Inc., located in Baltimore, Maryland, has 30/60 celebration

For Founder and CEO, Michael S. Rogers, 2019 marks two significant milestones in his life – 30 years of business and 60 years of life – both calling for a major celebration. Knowing his love of James Bond and Casino Royale, on the evening of January 26, 2019, Securityhunter staff joined family and friends of Mr. Rogers and celebrated the 30/60 milestone Casino Royale style. With Metro Casino Events, LLC providing the games and the dealers, and dressed in our finest, party goers were treated to a night of poker, blackjack, craps, and other table games.

“We always enjoy celebrating various successes of the company, but to be able to celebrate 60 years of life for our CEO and friend, Mike Rogers, was priceless. Mike is always doing something kind for someone, so this was our small way of showing him how much he is appreciated”, says Dana Ashton, Executive Administrative Assistant and planner of the event. She adds, “It was wonderful to see close friends of his interact with his staff and share wonderful stories of “Life With Mike” throughout the night.”

“Combining the terrific accomplishment of 30 years in business and 60 years of life was a thrill for me. The memories were wonderful. Looking forward to the 45/75 party in 2035” says honoree, Michael S. Rogers.

About Securityhunter, Inc.:

Founded in 1988, Securityhunter targets security solutions which support a wide range of government security initiatives. Securityhunter manufactures, designs, installs and maintains electronic and information security countermeasure systems for government facilities. Securityhunter offers professional security support services, and assists U.S. federal, state and local agencies with assessments and management of security tasks for mission critical CONUS and OCONUS operations.
